Improved transit service, Dec. 12

TransLink and the Coast Mountain Bus Co. are introducing significant improvements to bus service to help address overcrowding and make public transit more user-friendly.

Changes, effective Dec. 12, include more midday buses, more evening and weekend service, more Community Shuttles, improved Vancity U-Pass service, and more reliable bus service during construction of the RAV Line.

Look inside for a list of routes being changed and visit TransLink's website at www.translink.bc.ca for more details.

Increased bus frequency during peak-service hours offers more travel options
