

Board of Directors - Coast Mountain Bus Company

Location: Metro Vancouver, British Columbia

As the largest operating company in the integrated TransLink enterprise, Coast Mountain Bus Company (CMBC) serves customers in Metro Vancouver, the largest single transit service area in Canada. CMBC operates more than 96 per cent of the region's bus service including a fleet of clean-fuel conventional buses and zero-emission trolley buses. Passenger ferry service across Burrard Inlet via the SeaBus is also operated by CMBC. CMBC is a wholly-owned operating subsidiary of South Coast British Columbia Transportation Authority (TransLink).

West Vancouver Blue Bus and TransDev provide the remaining four per cent of bus service in the region, and CMBC oversees those operating contracts. TransDev provides both Community Shuttle and HandyDART services.

The TransLink Board of Directors is presently seeking individuals to join CMBC's Board as a Director. The Subsidiary Board is appointed by and is accountable to the TransLink Board. It is responsible for ensuring the overall effectiveness and efficiency of the subsidiary performance and that all statutory requirements are met. In this capacity, you will be responsible for strategic oversight and corporate governance of CMBC's affairs, dependably acting in the best interests of the broader organization while upholding the highest level of integrity and professionalism.

Candidates may bring experience in Board leadership and operations in a complex unionized (preferably public sector and/or transportation) environment. Experience in public policy, corporate governance, government relations and board engagement would be advantageous.

To further explore this opportunity with TransLink, please apply by submitting your cover letter and resume to translinkcorporatesecretary@translink.ca.

TransLink is advancing equity through strategies that drive inclusion within our work force and regional transportation investment choices, including striving to build deep relationships with Indigenous peoples in our region.

The TransLink Board would like to thank all applicants for their interest in this position. Please note that we will only be in contact with those individuals moving forward with TransLink.
