

Transport 2050: Regional Cycling Network

Legend

- Major Bikeway Network
- Metro Vancouver Regional Greenways Network
- Urban Centres/Frequent Transit Development Areas
- First Nation Reserves and Tsawwassen Treaty Lands
- Urban Areas (within the Urban Containment Boundary)
- Non-Urban Land

Corridors identified on the map represent desire lines and further work is needed to confirm actual streets that would be used to deliver those corridors. Once implemented, Major Bikeway Network corridors would feature bikeways that are comfortable for most people to use.

The Regional Greenways Network is the region's network of trails from Metro Vancouver's Regional Greenways 2050 plan, primarily for recreational trips for walking, cycling and horseback riding.
