

2024 Municipal Funding Program: Cost-Share Projects

Municipality/ Local Government	2024 Municipal Funding Program: Cost Share Projects	TransLink Funding Contribution
Belcarra	Bedwell Bay Road Upgrade Project (BUPP)	\$65,000.00
Design for pedestrian pathway and gabion wall construction.		
Belcarra	Bedwell Bay Upgrade Project	\$207,000.00
Gabion wall rebuild and road realignment.		
Bowen Island	Cross-Island Multi-Use Path: Phase 4 - Artisan Lane to Charlies Lane	\$207,000.00
Phase 4 of the Multi-use path in Bowen Island.		
Burnaby	Alpha Secondary School Sidewalks	\$827,000.00
Brentwood area sidewalk construction and improvements.		
Burnaby	Burnaby Lake Overpass	\$3,142,000.00
Pedestrian-cyclist overpass construction.		
Burnaby	Vancouver to SFU Cycling Connection	\$1,900,000.00
Bike route improvements.		
Coquitlam	Atlantic Avenue Curb Extensions	\$218,361.00
Permanent curb extension installation.		
Coquitlam	Barnet Hwy Retaining Wall	\$25,000.00
Retaining wall structural condition assessment.		
Coquitlam	Dansey Avenue Sidewalks – Blue Mountain to Marmont	\$213,000.00
Sidewalk project with street lighting and boulevard.		
Coquitlam	Guildford Way Micromobility – Johnson to Pinetree to Pipeline	\$1,629,000.00
Construction of new protected bike paths and protected intersection infrastructure at Pinetree and Guildford Way.		
Coquitlam	Mariner Off Ramp WBL Permission	\$830,283.00
Traffic signal adjustments to allow for a new left turn lane at Coquitlam Central Station for buses.		
Coquitlam	Mariner, Lougheed, and North Rd Bridge Rehabs	\$1,445,440.00
Repairs to three bridges in Coquitlam.		
Coquitlam	MRN Intersection – Protected Phasing – Safety Improvements	\$340,000.00
Implementation of protected left only turns.		
Coquitlam	Nelson St Greenway – Austin to Brunette	\$1,258,000.00
New cycling (MUP or Bike Lane with Sidewalk) pathway.		
Coquitlam	Pinetree Way Transit Priority Study	\$150,000.00
Assessment of current parking lane and proposed introduction of a transit only lane.		
Delta	72 Ave Roadway Improvements (115 St- 120 St)	\$900,000.00
Roadway improvements to improve capacity and traffic flow from the BNSF Overpass to 120 Street.		
Delta	River Road Multi-Use Pathway (Ferry Road to Elliott Street)	\$1,238,412.00
3.5-metre-wide multi-use pathway construction.		
UBC	Bus Speed and Reliability Improvements Around UBC	\$704,700.00
Apply bus priority measures at hot-spots around UBC to address bus delays and improve transit user experience.		

2024 Municipal Funding Program: Cost-Share Projects

Municipality/ Local Government	2024 Municipal Funding Program: Cost Share Projects	TransLink Funding Contribution
UBC	E-Bike Share Expansion to UBC - phase 1	\$112,000.00
Installation of up to 15 electrified bike-share stations and ~300 charging docks.		
UBC	New Controlled Pedestrian Signal Across 16 th Avenue	\$219,525.00
Installation of new controlled pedestrian signal.		
Langley City	200 St Culverts Rehabilitation	\$585,000.00
200 St crossing twin-pipe culvert re-lining.		
Langley City	Langley Bypass Roadway and Cycling Improvements	\$1,182,000.00
Intersection safety and capacity improvements and protected cycling infrastructure.		
Langley Township	20400 Blk 16 Ave Bridge Rip Rap Rehabilitation	\$148,214.00
Rip rap rehabilitation and guardrail replacement on the south side of the structure.		
Langley Township	208 Street (68 Avenue to 72 Avenue) Widening	\$1,000,000.00
Road widening for improved cyclist and pedestrian facilities.		
Langley Township	2600 Blk 200 Street Bridge Pedestrian Facility Rehabilitation	\$310,000.00
Pedestrian walkway repairs.		
Langley Township	Fraser Hwy Widening & Intersection Improvements (24300-24600 Blk)	\$2,698,000.00
Widen to four-lane road with 3-metre-wide multi-use pathway on both sides.		
Langley Township	Improvements at 64 Ave and 200 St	\$30,000.00
64 Ave and 200 St improvements including extending the left-turn bay.		
Langley Township	Improvements at 86 Ave and 200 St	\$75,000.00
86 Ave and 200 St improvements including extending the left-turn bay and adding a left-turn signal.		
Langley Township	Mufford Overpass Rehabilitation	\$1,023,019.00
Supporting structure and pavement repairs and installation of debris fence.		
Langley Township	Willowbrook Connector Widening Phase 2	\$1,129,000.00
Road widening for improved cyclist and pedestrian facilities.		
Lions Bay	Lions Bay Avenue Connector	\$101,000.00
Construction of multi-use protected paths.		
Lions Bay	Lions Bay Avenue Connector, Wayfinding Add-On	\$15,000.00
Installation of wayfinding signage.		
Maple Ridge	123 Avenue Corridor Improvements (Laity Street to 216 Street)	\$119,000.00
Improvements and installation of pedestrian and cycling friendly facilities.		
Maple Ridge	Abernethy Way Widening Phase 2: 224 St to 230 St	\$1,180,000.00
Road widening to 4 lane roadway including construction of multi-use pathway and road facility improvements.		
Maple Ridge	Thorne Avenue Multi-Use Path (Hammond Road to 117 Avenue)	\$325,000.00
New 3-metre-wide multi-use pathways on the North side of Thorne Ave.		
New Westminster	7 th Ave at 20 th St – Intersection Improvements	\$145,000.00
Relocating stop bar, poles, and signal head at intersection to alleviate existing issues for buses.		

2024 Municipal Funding Program: Cost-Share Projects

Municipality/ Local Government	2024 Municipal Funding Program: Cost Share Projects	TransLink Funding Contribution
New Westminster	6 th Avenue and 8 th Street – Design Development	\$12,500.00
Design Study to improve transit movements at an intersection.		
New Westminster	7 th Street – Agnes Street to 6 th Avenue	\$430,000.00
Provide on-street and bi-directional bike lane along 7 th Street.		
New Westminster	Rotary Crosstown Greenway- 7th Avenue	\$400,000.00
Provide cycling improvements to Rotary Crosstown Greenway.		
New Westminster	Boyd Street Multi-Use Path (2022)	\$1,403,000.00
Replace shoulder bike lanes with a Multi-Use Pathway.		
New Westminster	Carnarvon Street at 6 th and 8 th Street – Operational Study	\$18,000.00
Study to improve transit movements at two intersections near New Westminster Station.		
New Westminster	Sidewalk Improvements – 8 th Street: 7 th Ave to 6 th Ave	\$113,000.00
Permanent sidewalk and bus bulge construction.		
North Vancouver City	E Keith Road/ E Grand Boulevard Study	\$180,000.00
Study to improve 232 and 255 bus service on E Keith Road, and potentially converting a WB climbing lane to EB transit lane.		
North Vancouver City	East Grand Boulevard – Transit Signal Priority Design and Construction	\$842,750.00
Construction of two new traffic signals on E Grand Boulevard at E 13 th and 15 th Street and includes a transit priority phase.		
North Vancouver City	Semisch Park	\$230,000.00
Construction of improved pedestrian connections.		
North Vancouver City	Upper Levels Neighbourhood Mobility Improvement Project	\$1,504,000.00
Construct east/west pedestrian and bicycle connection north of Highway 1 between 25th and 27th St.		
North Vancouver District	240 Lynn Valley Study	\$200,000.00
Study on 240 Lynn Valley corridor to improve transit speed and reliability in the North Shore.		
North Vancouver District	Lynn Valley Town Centre – Lynn Creek Town Centre Priority Bike Route	\$723,000.00
Construction of cycling link from Lynn Creek Town Centre to Lynn Valley Town Centre.		
North Vancouver District	Mount Seymour Parkway Active Transportation Rapid Implementation	\$985,000.00
Improved cycling infrastructure.		
North Vancouver District	Spirit Trail Eastern Extension – Seymour Boulevard to Burr Place	\$379,000.00
Various cycling improvements to extend existing Spirit Trail.		
North Vancouver District	Traffic Signal at Edgemont Blvd/Highland Blvd	\$131,000.00
Installation of traffic signal/improvements to enhance pedestrian safety.		
North Vancouver District	Traffic Signal at Oxford St/Mountain Hwy	\$125,000.00
Installation of traffic signal/improvements to enhance pedestrian safety.		
Pitt Meadows	Baynes Road Crossing Upgrade - 2024	\$60,966.00
Crossing facility upgrades to improve safety.		

2024 Municipal Funding Program: Cost-Share Projects

Municipality/ Local Government	2024 Municipal Funding Program: Cost Share Projects	TransLink Funding Contribution
Pitt Meadows	Harris Bicycle Push Buttons - 2024	\$46,452.00
Installation of bike activated pushbuttons at signalled intersections.		
Port Coquitlam	Birchland Avenue MUP	\$104,000.00
Improving Pedestrian and cyclist connecting infrastructure.		
Port Coquitlam	Fraser Avenue Sidewalk	\$362,000.00
Sidewalk extension and pedestrian improvements.		
Port Coquitlam	Kingsway Avenue - Construction Project	\$901,000.00
Multi-use path construction on Kingsway Avenue from Coast Meridian Overpass to Kebet Way.		
Port Moody	Barnet Highway at Ioco Road BSR Study	\$45,000.00
Study to improve left turn bus delays at Ioco Road on Barnet Hwy.		
Port Moody	Barnet Highway CP Overpass Deck Replacement	\$2,050,000.00
Overpass seismic retrofit and deck replacement.		
Port Moody	Guildford Way/Murray Street Protected Bike Facility	\$1,059,000.00
Cycling lane protection improvements.		
Port Moody	Panorama Drive Safety Improvements	\$52,000.00
School crosswalk and sidewalk safety improvements.		
Richmond	Blundell Rd- No 2 Rd Intersection Upgrade	\$141,672.00
Intersection safety improvements.		
Richmond	Bus Priority Opportunities Study – Granville Ave and Garden City Rd	\$150,000.00
Study to develop bus priority measures to improve bus speed and reliability at the realigned intersection.		
Richmond	Francis Rd and McCutcheon PI Cycling Improvements	\$204,000.00
2.5 to 3-metre-wide multi-use pathway construction.		
Richmond	Gilbert Road Cycling Improvements – Granville Ave to Elmbridge Way	\$622,500.00
2.5 to 3-metre-wide multi-use pathway construction.		
Richmond	Safety Improvements - Alderbridge Way and Garden City Road	\$828,500.00
Intersection safety improvements.		
Richmond	Safety Improvements – Westminster Hwy and Cooney Rd	\$103,500.00
Intersection safety improvements.		
Richmond	Steveston Hwy MUP Phase 3 (No 2 Rd- Railway Ave)	\$1,290,000.00
3-metre-wide multi-use pathway construction.		
Richmond	Westminster Hwy No 4 Rd Intersection Upgrade	\$297,828.00
Cycling and pedestrian intersection improvements.		
Surrey	105A Avenue: 144 Street to 148 Street MUP	\$250,000.00
Multi-use pathway construction.		
Surrey	132 Street and 76 Avenue Bus Queue Jump	\$1,500,000.00
Implementation of E/W bus queue jumps to improve bus speed and reliability on 76 Ave.		

2024 Municipal Funding Program: Cost-Share Projects

Municipality/ Local Government	2024 Municipal Funding Program: Cost Share Projects	TransLink Funding Contribution
Surrey	144 St: 100 Ave to 105 Ave Cycling Project	\$400,000.00
Multi-use pathway construction.		
Surrey	32 Ave Widening Project (176 Street – 184 Street)	\$4,332,000.00
Road widening, multi-use pathway and additional infrastructure construction.		
Surrey	64 Avenue Arterial Improvements and Widening (177B Street to 184 Street)	\$3,700,000.00
Road widening, bike path and additional infrastructure construction.		
Surrey	96 Avenue and 128 Street Bus Queue Jumps	\$561,000.00
Implementation of N/S bus queue jumps and introduce bus-exclusive receiving lane.		
Surrey	96 Avenue and Quibble Creek - Bridge Improvements (Phase II)	\$400,000.00
Improvements to bridge structure and implementation of pedestrian and cycling facilities, approach settlement/realignment.		
Surrey	Connections from 102A Avenue to 104 Avenue on 149 St (Connection to Rapid Transit on 104 Avenue) Applicant Project Location Revision	\$200,000.00
New sidewalk construction.		
Surrey	SLS – Supportive Works (Missing Gaps)	\$580,000.00
Construction of new sidewalks and cycling lanes.		
Tsawwassen	Tsawwassen Drive Multi-Use Pathway Project	1,116,000.00
Multi-use pathway construction.		
Vancouver	Adanac Sidewalk	\$267,476.00
Construction of new sidewalks in the Adanac neighbourhood.		
Vancouver	Beatty Street Upgrades	\$2,304,000.00
Upgrades to existing bike lanes to support the safety of pedestrians and cyclists.		
Vancouver	Boundary Seismic Retrofit and Rehabilitation	\$330,000.00
Seismic retrofit and rehabilitation design for two bridges.		
Vancouver	Cambie Bridge Expansion Joint Repairs	\$2,000,000.00
Bridge expansion joint repairs.		
Vancouver	Cambie Bridge Seismic Upgrade and Rehabilitation Phase 2d	\$1,050,000.00
Bridge seismic retrofit and rehabilitation.		
Vancouver	Davie and Robson Permanent Bus Bulbs	\$1,500,000.00
Permanent bus bulb installation and sidewalk widening construction.		
Vancouver	Davie Street Sidewalk Widening Project	\$516,565.00
Sidewalk widening, accessibility improvements, and mid-block crossing construction.		
Vancouver	Dunsmuir-Melville Protected Bike Lane Extension	\$2,600,000.00
Protected bike lane construction.		
Vancouver	Eastside Crosscut	\$220,000.00
Greenway construction connecting Burrard Inlet and Fraser River.		
Vancouver	Grandview Viaduct Coating Renewal	\$1,535,000.00
Grandview Viaduct rehabilitation and recoating.		

2024 Municipal Funding Program: Cost-Share Projects

Municipality/ Local Government	2024 Municipal Funding Program: Cost Share Projects	TransLink Funding Contribution
Vancouver	Granville Bridge Coating Renewal Phase 2d	\$3,500,000.00
Granville bridge recoating renewal.		
Vancouver	Granville Bridge – Rehabilitation of South Concrete Approach and Ramps	\$1,000,000.00
Granville Bridge rehabilitation of south approaches and ramps.		
Vancouver	Granville Bridge Recoating Ph 1b	\$1,040,000.00
Granville Bridge recoating and structural steel repairs.		
Vancouver	Granville Long-Term Assessments	\$600,000.00
Assessment of Granville Bridge seismic performance and timeline for rehabilitation works.		
Vancouver	Kensington – Cedar Cottage Sidewalks	\$807,959.00
Approximately 1km of sidewalk construction to fill in gaps in the network.		
Vancouver	Kingsway Bus Priority	\$1,347,200.00
Design and implementation of bus priority measures along Kingsway, between Fraser St and Boundary Rd.		
Vancouver	Minor Bus Stop Consolidations	\$238,500.00
Combination of bus stop consolidations and extensions.		
Vancouver	Portside Greenway – Wall St	\$2,000,000.00
Pedestrian and cycling infrastructure improvements.		
Vancouver	Vancouver Missing Curb Ramps 2024	\$400,000.00
Construction of 90 pedestrian curb ramps.		
West Vancouver	19th Street Sidewalk	\$145,000.00
Sidewalk and multi-use pathway construction.		
West Vancouver	Marine and 31st Street Intersection Upgrades	\$477,000.00
Install signals and intersection upgrades.		
West Vancouver	Marine Drive east of LGB - Separated Bike Path	\$68,000.00
Construction of separated bike path.		
West Vancouver	Taylor Way Off-Ramp (Mathers Ave MUP)	\$160,500.00
Construction of multi-use pathway and bi-directional bike lanes.		
White Rock	Buena Vista Bike Path	\$558,000.00
Construction of bi-directional bike lane		
White Rock	Proposed Crosswalk at Russell Ave and Oxford Street Intersection	\$52,000.00
Installation of pedestrian accessibility and safety measures.
