BE A POLAR BEAR!

Join the men — Polar Bear Division! Romp in the water of English Bay on New Year's Day. Or if you are a member of the fair sex, female Polar Bears are equally welcome.

Peter Pantages, founder of the famous Polar Bear Club in 1920 and president ever since, would like to see the January 1 swim go over the 118-member mark of 1962. Mr. Pantages, who has been taking daily swims since 1920, claims there's nothing quite like a winter dip because you feel so good when you get out. Attractive prizes are an added attraction for all who take the famous New Year's Day plunge.

Because many thousands of admiring citizens gather annually to watch the Polar Bears in action, parking in the English Bay area becomes severely congested. Please leave your car at home and take a bus.

Donations to the many special Christmas welfare services of the Salvation Army should be sent to Salvation Army Christmas Cheer Fund, 301 East Hastings Street, Vancouver 4. Receipts will be issued for all donations.
