Please deposit your bus fare

If you are not tall enough to reach the fare box, the bus operator will assist by depositing your fare. However our regulations are that you must deposit your own fare unless you are physically unable to do so.

This applies to all cash or token fares, including payment for Vancouver Downtowner pass and the Sunday pass. If you require change, or wish to purchase tokens, the operator will take your money and supply you with change or tokens. However the actual depositing of fares in the fare-box must be done by the passenger.

The only case in which a fare is handed to the operator is in New Westminster where four Shop'n'Ride stamps affixed to a special coupon are accepted as payment for a ride in any single fare zone.

A new bus route

Starting Friday, March 31, there will be a new bus service between Cleveland Dam and Kootenay Loop. This will provide a direct service to Lonsdale Avenue for residents of large residential areas both east and west of Lonsdale. In addition, it provides a new direct service between north Capilano Road, Lonsdale business area and East Hastings Street to Kootenay Loop. It will provide better service for many people to and from North Vancouver Recreational Centre, Lions Gate Hospital and the North Shore Winter Club.

This service should be an interesting route for those who use a Sunday and Holiday Pass
