The Buzzer

**Students
get your new
bus
certificate
and
show it**

If you're under 21 and attending school, up to and including Grade 12, you'll pay less than half the adult bus fare when you show a valid school certificate.

So get your certificate soon; applications will be processed next week at elementary and high schools. A school certificate is pretty valuable; over the school year, the saving may be considerable. That's why it is not transferable and why, if lost, you'll have to pay for a new one.

Make sure you have your certificate handy when boarding; it must be shown to the driver *each time* you pay the reduced fare. Without the certificate you will be charged the full adult fare.

Here's to a safe and happy new school year.

Mobile FareCard booth

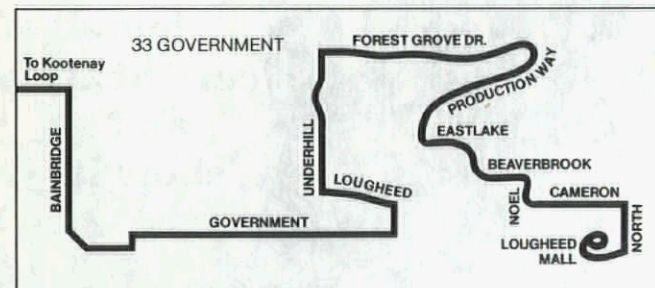

A mobile FareCard booth will be at the UBC Student Union Building (across from the AMS Ticket Office) on September 8, 9 and 10 from 10 a.m. to 5:30 p.m. For more information please call the G.V.R.D. at 734-4846.

Service adjustments effective Friday, Sept. 10

Please check a new timetable for detailed information. New timetables for all routes will go into effect on **September 10**.
