Only Pharmacare Cards prove eligibility

Since reduced transit fares are offered only to seniors who have been residents of B.C. for at least 90 days, operators have been instructed to accept only Pharmacare Cards as proof of eligibility.

Those who don't require a Pharmacare Card for medical purposes are advised to obtain one for use on the transit system.

Consideration for others

There are, of course, regulations against music and other nuisances such as smoking, eating and drinking on buses but we would prefer to have your willing cooperation. It can only improve the quality of service for all transit users.

Ski equipment on buses

Because of their size and shape, skis and poles carried on a bus can be a hazard to other passengers. We therefore strongly recommend that ski equipment be carried in bags.
