**Please remember:
Transfers are for
one-way use.**

When you pay your fare and get a fare receipt/transfer, you have at least 90 minutes to transfer to any bus or series of buses that will take you to your destination.

You may not, however, retrace your route on the same transfer.

The same rule applies, of course, to SeaBus.

Change to FareCard
FareCard means never having to find the correct change. What's more, the more you ride the more you save.
