Watch out for the kids on Hallowe'en

Once again, thousands of young people will be transformed on an evening into ghosts, clowns, witches and all manner of strange beasts.

Some may even board buses, and we'll be happy to have them providing no treats are requested and no tricks are performed.

Mr. Buzz asks all road users to be extra careful that evening. Let's make it a fun, but safe, Hallowe'en.

P.S. Students with valid GoCards are reminded to carry them if they wish to travel at the concession fare.
