## Artquake at Granville Island Free #51 service, April 8 & 9

On Saturday and Sunday, April 8 and 9, Granville Island will be vibrating with visual and performing artists during ArtQuake - a two-day fair showcasing Vancouver's professional arts community. Over 70 of the city's finest cultural organizations representing hundreds of artists will take up tents along Cartwright Street, bringing it alive with street theatre, face painting, food kiosks, dance, open rehearsals, music and more. Many companies will be holding free draws, demonstrations and fun hands-on activities. Throughout the two days, 51 Granville Island buses, operating from Broadway at Granville, will offer fare-free service. Transfers will not be issued.

## BC Transit and ICBC join forces to fight vehicle crime at Scott Road Park & Ride

ICBC and BC Transit will shortly implement a one-month pilot project to confront the issue of vehicle thefts and break-ins at the Scott Road Park & Ride. ICBC will fund full-time bicycle patrols of the lot during the day when most vehicle crimes occur.

The cost of the one-month program is estimated at \$15,000. ICBC estimates it would normally pay about \$41,000 in claims arising out of incidents at the lot during the same period.

At the end of the trial period, the effectiveness of the bicycle patrols will be evaluated and it will be decided if they should continue or some other form of daytime security would be more appropriate.
