How do you get to the Vancouver Sun Run, Sunday April 20?

SkyTrain service improvements

Earlier SkyTrain service on Sundays
Starting Sunday, April 6, Sunday service will start one hour earlier. The first trains will leave King George at 7:08 am and Waterfront at 7:50 am. These times will also apply to most statutory holidays.

Earlier weekday SkyTrains from Waterfront
Eastbound trains now leave Waterfront Station beginning at 5:35 am instead of 5:50, arriving at King George Station at 6:14 am. Westbound service has not changed.

All trains now operate the full length of the system
Throughout the week, including Monday to Friday morning and afternoon peak periods, all trains now operate between Waterfront and King George Stations.

Even if you're on the right track, you'll get run over if you just sit there. Will Rogers

99-B-Line

• More stops • Greater Frequency

This popular express route will increase its frequency still further between Broadway Station and Alma and introduce two new stops: at Clark & Broadway and in the newly enlarged loop at UBC. Riders to and from UBC can depend on good service throughout the summer.

When you find yourself in deep water, it's a good idea to keep your mouth shut
