**Translink will provide free shuttle service to the ACC, Aug 30 - Sept 5**

No matter how you slice it, transit to the Air Canada Championship is a winning idea. Bus/Seabus/SkyTrain will drop you off daily at Surrey Central Station at regular fares. A shuttle bus service provided by Translink will then whisk you from the station to Northview Golf & Country Club free of charge. No need to compete for road space and parking. On weekdays the first SkyTrain from downtown arrives at Surrey Central Station at 6:13 am, on Saturday, Sept 4 at 7:28 am and on Sunday Sept 5 at 7:28 am.

## Transit to the Indy

September 3, 4 and 5 you can be the winner by taking transit to the track. SeaBus and buses throughout the Lower Mainland connect with SkyTrain, and SkyTrain will take you to Science World-Main Street Station, or Stadium Station, both close to the track.

Other buses will drop you off within easy walking distance. Check your race tickets in advance to identify your most convenient route and entrance gate.

**For Pit Row Suites, Turn #1 Boxes, Gold Chalets, Champ Club and Gold Standards,** use the Plaza of Nations Entrance, south of BC Place: Ride SkyTrain to Stadium Station and exit via Pacific Blvd, walk to the Plaza of Nations. Or take a regular #3, #4, #5, #6, #7, #8, #10, #16, #20 or #50 bus and walk seven blocks along Robson Street from Granville Mall. Or take a #15 or #17 bus to the first stop at the north end of the Cambie Street Bridge and walk to the Plaza of Nations.

**For Silver Chalets, Flag Club, Silver and Bronze Grandstands,** use the entrance off 1st Ave at Ontario: Ride SkyTrain to Main Street - Science World Station and walk south on Main Street to 1st Ave, then west to Ontario. Or take the #3, #8 or #19 bus along Main Street to 1st Ave.

**Additional transit service, Sunday, September 5**

**SkyTrain** will be operating an hour earlier. The first train will leave King George Station at 6:08 am and arrive at Stadium Station at approximately 6:43.

**Additional bus service** will be provided on selected major routes to accommodate passengers wishing to connect with SkyTrain service.

**SeaBus** will leave Lonsdale Quay every 30 minutes from 7:02 to 11:02 am, then every 15 minutes to 6:32 pm. Service from Vancouver will leave every 15 minutes from 11:16 am to 6:46 pm

**Greg Moore says:**

**"Leave the driving to the professionals"**

To celebrate the 10th Anniversary of the Molson Indy Vancouver, the first 20,000 race fans to present proof of transit ridership at on-site information booths, Sept 5, will receive a One Zone FareSaver ticket for a free ride home.

**From South Delta/Ladner**

Take a #640 to Scott Road Station (wheelchair passengers transfer to #330 Surrey Central Station). Ride SkyTrain to 29th Avenue Station and transfer to special PNE Express bus (Bay #1). Or take a #601 bus to Broadway & Granville and transfer to a special Broadway-PNE bus.

**From White Rock/South Surrey**

Take a #321, #390 or #394 to SkyTrain, ride SkyTrain to 29th Avenue Station and transfer to a special PNE Express bus (Bay #1). Or take a #351 bus to Broadway & Granville and transfer to a special Broadway-PNE bus.

# FALL SERVICE CHANGES

**EFFECTIVE MONDAY, SEPTEMBER 6**

# Fall Service Changes, effective September 6

MORE TRIPS • MORE SEATS • MORE OFTEN!

Increased transit service will provide more connections with more direct service. Our customers, including commuters, university students, shoppers, accessible transit users and cyclists will all benefit from increased transit service. And later this fall, new buses will arrive along several major routes in Greater Vancouver. Here are the highlights:

## Vancouver

### 8 Granville/Fraser

Increased northbound service along Granville Street during the AM peak and increased southbound service during the PM peak.

### 41 Joyce Station/UBC (L)

Increased service along 41st Ave during the AM peak period for college and university class start times. During the PM, additional eastbound service will be available to meet the peak class finish time at UBC.

### 49 Metrotown Station/Dunbar Loop (L)

Increased westbound service during the AM peak period to meet UBC class start times.

### 99 B-Line (UBC/Lougheed Mall) (L) (B)

Increased service between Broadway Station, central Broadway and UBC. There will be additional westbound service during the AM peak, with buses running every 3-6 minutes. PM peak trips from UBC to Broadway Station will improve to every 5 minutes.

### 123/23 New Westminster Station/Burrard Station (L)

To improve travel times, the #123 will replace the #23 during the daytime on Sundays/holidays. Please note that stopping arrangements at Brentwood Mall have changed.

### 135/35 SFU/Stanley Park (L)

Customers can now get on and off at all designated stops in Vancouver (in both directions). Peak and midday frequency has been improved to every 10 minutes, Monday through Saturday. Service will be available seven days a week; the #135 will replace the #35 during the daytime on Sundays/holidays.

## Richmond

### 410 22nd Street Station/Queensboro/Richmond Exchange (L)

Peak period frequency will increase from every 15 minutes to every 10-12 minutes. In the peak travel direction, service will be every 10 minutes (to Richmond in the morning and to SkyTrain in the afternoon). 12-minute service will be provided in the opposite direction.

## Burnaby

### 130 Metrotown Stn/Kootenay Loop (L)

More service for customers travelling along the Willingdon corridor (Metrotown - Brentwood Mall - Hastings Street). During the peak periods, service will be every 7-8 minutes and midday service will improve to every 10 minutes all the way to Hastings St. Stop locations around Brentwood Mall have changed slightly.

### 135 SFU/Stanley Park (L)

Improved peak and midday service (every 10 minutes) and customers will be able to get on and off at all #135 bus stops along the route. There's more service for Burnaby customers.

### 137 Capitol Hill/Brentwood (L)

The route has been modified to terminate in the Hastings/Willingdon area. Daytime Monday-Saturday customers wanting to travel along Willingdon, will find it convenient to transfer to the improved #130 service.

## Surrey

### 332 Guildford/Surrey Central Station (L)

More service with better connections for Surrey customers. Service along 108th Avenue, between Guildford Shopping Centre, Gateway SkyTrain Station and Surrey Central Station, in both directions Combined with the #335, service has been increased to every 10 minutes during peak periods.

### Coquitlam, Port Coquitlam/ New Westminster/ Port Moody

### 147 Coquitlam Station/New Westminster Station (L)

The route of the #147 has been streamlined to make it faster and more direct. Frequency has been increased to provide 15-minute service all day, connecting New Westminster Station, Lougheed Mall, Port Moody, Coquitlam Station and Coquitlam Town Centre. There will now be more seats, more trips, more often.

**Please note:** The Dewdney Trunk portion of the route near Coquitlam Centre will now be served by the #153. Service into the College Park area during the day will be provided by route #148. During the evenings the #147 will also provide service to this area. The #147 service to West Coast Express will be replaced by the #148 route.

### 148 loco/New Westminster Station (L)

The #148 will connect customers with all West Coast Express trains in both the morning and evening. The #148 route will now be routed via Princeton and Washington Streets in the College Park area. All trips from New Westminster will now be routed into Lougheed Mall.

### 153 Port Coquitlam Centre/Coquitlam Station/Port Moody Station

During peak periods, the #153 will now provide the two-way service to the Dewdney Trunk area formerly served by the #147.

### 701 Maple Ride East/South Haney/ Haney Place/Coquitlam Station (L)

More connections to major regional routes will be provided. 15-minute service in both directions will be increased during peak periods.

## Pender Street Water Project: Detours effective when construction closes the Seymour to Richards section of Pender Street
