### We'll Pick You Up

Getting around the Langley area just got a little more comfortable. We'll pick you up in smaller, neighbourhood friendly Community Shuttles and get you where you need to go in Langley. Or, if your destination is outside of the Langley area, shuttle and bus routes connect to the rest of the regional network. All shuttles provide hourly service 7 days a week, and are fully wheelchair accessible.

If you need more information or help planning your trip, please call 604-953-3333 or visit [www.translink.bc.ca](http://www.translink.bc.ca).

Regional bus service operated by Coast Mountain Bus Company  
Langley Community Shuttle is operated by D-W Services Ltd.

### Your Connections to the Regional Network

Changes to regional bus routes in Langley - effective December 23

**320 Langley Centre / Surrey Central Station** provides improved regional connections between Langley Centre and Surrey Central Station. For service in the Nicomekl River area, ride the new C60 and C61 routes.

**501 Langley Centre / Surrey Central Station**  
**590 Langley South / Surrey Central Station** connects Langley Centre with Surrey Central Station. All 501/590 trips will serve Port Kells via 96 Avenue. There are minor adjustments to stopping procedures through North Surrey. For local service in South Langley, ride the new C60 and C61 routes. All 590 trips will continue to provide direct peak period service between Brookwood and Surrey Central Station (also see 502).

**502 Aldergrove / Brookwood / Langley Centre / Surrey Central Station** is a new direct service between Aldergrove and Surrey Central Station. This extended route replaces former 506 and 511 routes.
