Back to school transit info!

Here's some important information for all you students heading to the classrooms this fall.

U-Pass BC Program is here!

The new U-Pass BC Program is now being offered to students at all publicly funded, post secondary institutions in BC.

The partnership between the Province of BC and TransLink allows schools in Metro Vancouver not currently subscribing to the program to apply for entry.

The program provides students with lower transit fares during their school terms, giving holders unlimited access to bus, SeaBus and SkyTrain services, as well as discounts on West Coast Express.

To learn about the steps eligible school need to follow to join the program visit translink.ca.

High school students - get your GoCard!

If you missed your school's scheduled GoCard photo session, don't worry! Apple Photographic Services' Mobile Unit will be at the following parking lot locations on Sept. 25 to take your photograph. Look for the company's silver Honda Element. For additional dates in October and November check translink.ca.

9-11 a.m. Scott Road SkyTrain Station (bus exchange level)	12-2 p.m. Coquitlam Centre Bus Exchange	3-5 p.m. 22255 Dewdney Trunk Rd, Maple Ridge (Liquidation World)
---	---	---

You must bring \$11, plus a completed GoCard application signed by a school official and proof of age (birth certificate or passport).

To receive a concession fare, show your GoCard whenever you board a transit vehicle.

International Walk to School Week

Elementary and high school students with a valid GoCard can ride public transit (except West Coast Express) at no charge from October 4-8. Why take transit when it's Walk to School Week? It's simple: both walking and taking transit are smart travel choices. Plus, children get to see their community from a more "hands on" experience than they would riding in a car.

TransLink asks teachers who may be planning field trips during International Walk to School Week to please register at travelsmart@translink.ca by Sept 27.
