## BACK ISSUES

The Buzzer has been published for over 100 years! In this section, we mine through our archives for some fun historical finds!

**1962** The March 2, 1962 issue of **The Buzzer** encouraged customers to help hasten service!

Everybody is anxious to get home as quickly as possible at the end of the work day or after a shopping tour. And you can help. Please try to have the exact fare ready. Your co-operation will be appreciated and will help speed up transit service both for you and for other passengers.

Whether paying by cash or card, we encourage all customers to have their exact fare ready prior to getting on transit.

## BIKES AT METROTOWN

Exciting news for our multi-modal commuters—bikes are now allowed at Metrotown Station! Customers traveling with bikes will need to enter and exit using the elevators at the centre stationhouse. The east and west stationhouses have escalators only and bikes are not permitted due to safety concerns. SkyTrain bicycle restrictions remain in place during varying times of day and can be found on our website at [translink.ca/bikesontransit](http://translink.ca/bikesontransit). Work is expected to be fully complete at Metrotown Station later this spring, including a new Bike Parkade!

Bike Parkades are secure facilities where customers who ride bikes to or from transit can lock their bike for the day. The parkade can be accessed with a registered Compass Card 24 hours a day, 7 days a week, for \$1 per use (per day) to a maximum of \$8 per calendar month. Get more information here: [translink.ca/bikeparkade](http://translink.ca/bikeparkade)
