- **Sharrow**: A roadway or travel lane shared with motor vehicles. Arrows indicate where people cycling should generally position themselves.

**Bicycles and Transit**

**Bike Parking**
Park your bike at TransLink’s growing network of Bike Parkades, and assigned Lockers.

To access Bike Parkades, enroll at compasscard.ca by registering your Compass Card.

To inquire about renting a bike locker, email bikelockers@translink.ca.

To find out more about TransLink’s bike parking options, visit translink.ca/bikeparking.

**Take your ride with you and go farther on transit**
TransLink’s fleet is completely bike accessible. This includes bus, SeaBus, West Coast Express and SkyTrain (some restrictions may apply, see translink.ca/bikesontransit for details). Electric bikes are permitted on buses (if battery removed), SeaBus, SkyTrain and West Coast Express services.

**Safety First!**
Follow the rules of the road. Remember that people cycling have the same rights and responsibilities as drivers. The Motor Vehicle Act and municipal bylaws apply to cyclists too.

- Obey all traffic regulations and speed limits.
- Make eye contact and yield to pedestrians.
- Do not ride on sidewalks unless directed to do so by signage or municipal bylaws.
- Yield to a bus when it is leaving a stop.
- Signal before turning.
- Use front and rear lights all the time, but especially after dark.

- All bicycles should have a warning bell.
- Wearing a helmet while cycling is required.
- Reflective clothing is recommended.
- Do not wear headphones that cover both ears.

**Passing**: Passing on the left is best. Ride no closer than 1 metre from parked cars.

**Lane position**: If a lane shared with motor vehicles is narrow, ride near the middle of the lane for improved visibility and safety.
