SYMBOLS TO KNOW

Bike: Bicycle route or lane.

Special Reserved Lane: A
reserved lane for the devices
noted on associated signs or
pavement markings. Cyclists
are often allowed to travel in
curbside reserved lanes.

Sharrow: A roadway or travel
lane shared with motor vehicles.
Arrows indicate where people
cycling should generally
position themselves.

Bike with Arrow: Bike route
direction is changing.

Bike with Vertical Lines:
Sensor triggered traffic lights.
Cyclists should align bicycle
wheels with the line to trigger
signal change.

Bicycle Pathway: Off-street
cycling pathway.

Shared Pathway: Pathway
shared with people walking and
cycling.

Crossbike (Elephants Feet):
A area
where people cycling will be
crossing an intersection.

Green Paint: Highlights
potential conflict areas with
motor vehicles.

Bike Signal: Dedicated signal
for people cycling.

Bike Box: Where people
cycling should position
themselves at a red signal,
allowing them to turn
left, right or go straight in
advance of motor vehicles.

BIKES AND TRANSIT

Bike Parking
Park your bike at TransLink’s growing
network of Bike Parkades, and assigned
Lockers.

To access Bike Parkades, enroll
at compasscard.ca by registering
your Compass Card.

To inquire about renting a bike
locker, email bikelockers@
translink.ca.

To find out more about TransLink’s bike
parking options, visit translink.ca/
bikeparking.

Safety First!
Follow the rules of the road. Remember that people cycling have the same rights and
responsibilities as drivers. The Motor Vehicle Act and municipal bylaws apply to cyclists
too.

• Obey all traffic regulations and speed
  limits.
• Make eye contact and yield to
  pedestrians.
• Do not ride on sidewalks unless
  directed to do so by signage or
  municipal bylaws.
• Yield to a bus when it is leaving a stop.
• Signal before turning.
• Use front and rear lights all the time,
  but especially after dark.

• All bicycles should have a warning bell.
• Wearing a helmet while cycling is
  required.
• Reflective clothing is recommended.
• Do not wear headphones that cover
  both ears.

Passing: Passing on the left is best. Ride
no closer than 1 metre from parked cars.

Lane position: If a lane shared with motor
vehicles is narrow, ride near the middle of
the lane for improved visibility and safety.
