How to Use Next Bus

Step 2

A screenshot of the TRANS LINK Next Bus app interface. The top navigation bar includes a menu icon, the TRANS LINK logo, and three tabs: "NEXT BUS", "TRIP PLANNING", and "ALERTS". Below the navigation bar is a search bar with a magnifying glass icon and the placeholder text "Enter bus route, stop number, or popular location". A blue button labeled "Find Nearby Stops" is positioned below the search bar. A white text box with blue text is overlaid on the left side of the map, providing instructions on how to enter bus route numbers. The background is a map of Vancouver, showing various neighborhoods like North Vancouver, Lower Lonsdale, and West End, along with landmarks like the Vancouver Aquarium and Totem Poles. A yellow vertical bar on the right side of the map indicates "Routes (0 Active)".

Enter the bus route or bus stop number.

Add two zeros before a single-digit bus route number and one zero before a double-digit bus route number.
