

# Help Your Employees TRAVEL SMART+

Our travel choices have far reaching impacts for us personally, our region, and for the health of our planet. With the new TravelSmart for Business program, you can support your employees travel choices with a minimum contribution of \$10 per month!

We now have flexible contribution options to get your employees where they need to go. Here are some of our most popular options:

Research has shown that a subsidy of **50% or more** has a significant impact on encouraging transit use.

#### EMPLOYER BENEFITS:

- Reduce parking costs
