Etiquette on Transit

As more people take Transit and the system becomes increasingly crowded, it is imperative for riders to consider those around them.

Cell phones

When using a cell phone, please keep your conversation private.

Personal audio devices

There is a transit regulation that states that if others can hear the music through your headphones, it's too loud. Please keep your volume at a level where your enjoyment is respectful of the people around you.

Keep doorways clear

In order for people to get on a bus or SkyTrain, people first need to be allowed to get off. Please stand back and allow passengers to exit, before you board. Also, the area around an exit door may provide places to lean, but this makes it difficult for people wanting to get off. Please stand clear and allow passengers to exit easily.

Don't block the doors

Preventing SkyTrain's doors from closing can cause more trouble than it prevents. If the doors are held for too long, the train could shut down, causing delays.

Courtesy seats

Seats closest to the doors are designated for seniors and persons with disabilities. Your courtesy in offering these seats to others is appreciated. It's worth remembering that some people have disabilities that aren't always obvious. If someone asks you to give up a seat because they have a disability, please take their word for it.

Backpacks, luggage, grocery bags, laptops, etc.

Please remove your backpack and put it on the floor - especially when standing. If seating space is limited, please ensure that your personal items are not taking away seats from other passengers.

Personal hygiene

Please remember that many people suffer from allergies to certain scents - please apply any perfumes and colognes moderately.

Children aged 12 and under, accompanied by an adult; and customers using pre-paid fares, such as Monthly Passes, DayPasses, U-Passes and BC Government Passes, are exempt from paying the add-fare. Canada Line travel among the three Sea Island stations (YVR-Airport, Sea Island Centre, and Templeton Stations) remains free.

The add-fare was approved in principle in 2004 as one of the ways to help pay for the construction of Canada Line.
