

# **Transport 2050: Regional Transportation Strategy**

Kevin Quinn, CEO, TransLink

# Transport 2050

*A shared strategy and regional partnership*

# Transport 2050

*Access for Everyone*

**Convenient**

**Reliable**

**Affordable**

**Safe &  
Comfortable**

**Carbon-free**

**Strategic Lenses:**

Reconciliation | Social Equity | Resilience

**Building 300km  
of rapid transit**

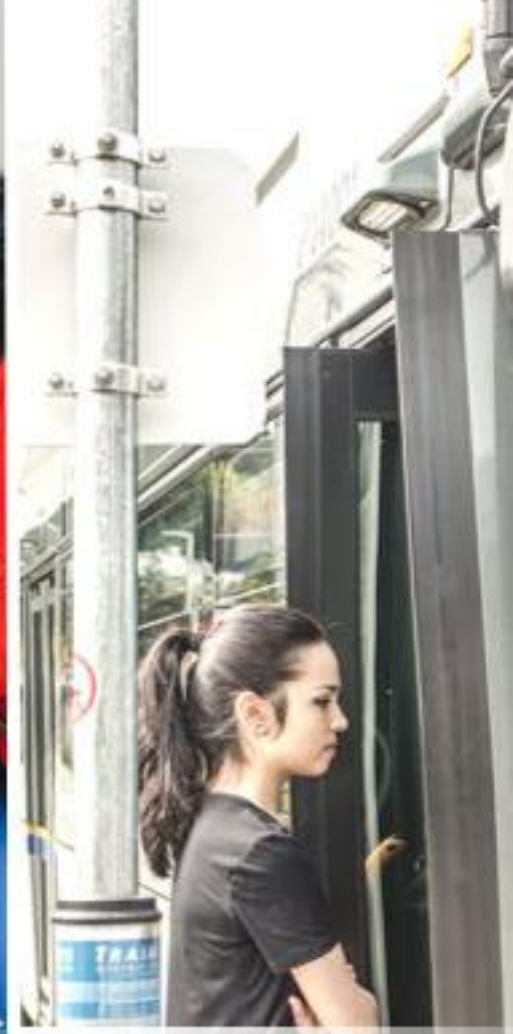

**Building out  
850-km of Major  
Bikeway Network**

**Creating more  
people-first  
streets for  
walking, biking,  
rolling and transit**

**Promoting  
electric and  
shared vehicles**

**Putting frequent  
transit within  
five-minutes of  
most people**

# Transport 2050

Our largest-ever public engagement

- 360 in-person or virtual events
- 500 stakeholder groups
- 38,000+ survey responses

# A Regional Transportation Strategy that people support

75%

of the public say they  
support the strategy

80%

of the public say they  
support the rapid transit  
network

**Thank you**
