SAFETY FIRST!

Follow the rules of the road. Remember that people cycling have the same rights and responsibilities as drivers. The Motor Vehicle Act and municipal bylaws apply to cyclists too.

- Obey all traffic regulations and speed limits.
- Make eye contact and yield to pedestrians.
- Do not ride on sidewalks unless directed to do so by signage or municipal bylaws.
- Yield to a bus when it is leaving a stop.
- Signal before turning.
- Use front and rear lights all the time, but especially after dark.
- All bicycles should have a warning bell.
- Wearing a helmet while cycling is required.
- Reflective clothing is recommended.
- Do not wear headphones that cover both ears.

Passing: Passing on the left is best. Ride no closer than 1 metre from parked cars.

Lane position: If a lane shared with motor vehicles is narrow, ride near the middle of the lane for improved visibility and safety.
